3.24. Vending Machine - A machine designed for the dispensing of potentially hazardous food or drink to the public by a self-service method.

3.25. Water Well - Any excavation or penetration in the ground, whether drilled, bored, cored, driven, or jetted for a water supply, for the exploration for water, or for removal of water to dewater construction sites.

§64-30-4. Option to Charge for Permits; Basis for Fees; proposed schedule and public comment period required.

4.1. Any county, municipal or combined board of health may charge a fee for the issuance of permits covered by this rule.

4.2. Any county, municipal or combined board of health may charge for any permits listed in this rule and are not required to charge for all permits listed. The amount of each fee listed represents the maximum amount which may be charged. Any county, municipal or combined board of health may charge any dollar amount up to the maximum. A county, municipal or combined board of health may not change the formula in section 6 of this rule.

4.3. After a local board of health's approval of a proposed schedule of fees, the board must post notice of the proposed fees to its website, provide the notice to the board's appointing authority with a request for publication on the authority's website and in its public offices, and allow for a 30-day comment period.

4.4. A local board of health proposing to charge fees must submit to the commissioner of the Bureau for Public Health:

4.4.1. The proposed schedule of fees; a current fee schedule, and a projection of permit fee collections for both fee schedules expected in the next fiscal year.

4.4.2. A copy of the posted notice of the proposed fees and a description of the public notice process;

4.4.3. A copy of comments received on the proposed fees; and

4.4.4. A response to the comments.

4.5. The establishment of fees other than in accordance with subsections 4.3 through 4.4 of this rule may be accomplished only upon petition by the local board of health to the commissioner in response to an emergency.

4.6. The local board of health must submit the adopted schedule of fees to the commissioner within 60 days after approval by the local board of health. Upon submission to the commissioner of the adopted schedule of fees, the local board of health must file the adopted fee schedule with the clerk of all the county commissions or municipalities of which the board is a part, or in the case of a combined board of health, the filings must be with the clerks or recorders of all the participating county commissions and municipalities. After the local board of health has made all the required filings, it may charge the approved fees.

4.7. Any local board of health charging the 2006 maximum allowable permit fees at the time this rule becomes effective shall be able to increase to the maximum permit fees set within this rule without approval of the commissioner but must comply with sections 4.3. and 4.4. of this rule prior to implementing the change.

4.8. Local boards of health must not charge any permit fee above the maximum fee allowed by this

rule and must not create any other permits or permit fees not covered by this rule.
